You took my hand and you were my friend  
And you made it beautiful  
You stayed with me and you made me see  
That I could make it beautiful too

And I can't remember that late September  
But I remember beautiful  
I do recall, standing' tall  
'Cause I remember beautiful

And all the chat you hear from that  
You gotta lay it out to dry  
When, what you feel is real  
You got to lay it on the line

You took my hand and you were my friend  
And you made it beautiful  
You stayed with me and you made me see  
That I could make it beautiful too

That you and I just can't see eye to eye  
But we make it beautiful  
You always choke from smokin' dope  
But we make it beautiful

And all the chat I hear from that  
I'm gonna lay it out to dry  
When, what you feel is real  
You got to lay it on the line

You took my hand and you were my friend  
And you made it beautiful  
You stayed with me and you made me see  
That I could make it beautiful too

Time has traced its lines on your face  
But I think you're beautiful  
And I want no other to be my baby's mother  
'Cause all I see is beautiful

Yes I remember  
Yeah I remember

I do remember beautiful  
I do remember  
I do remember  
Yeah I remember beautiful

Yes I remember  
Yeah I remember  
Yeah I remember beautiful  
Yes I remember  
Yeah I remember  
Yes I remember beautiful

Yeah you're beautiful  
Yeah you're beautiful  
Yes you're beautiful  
Yeah you're beautiful  
Yeah you're beautiful  
Yes you're beautiful

Yeah you're beautiful  
Yeah you're beautiful  
Yeah you're beautiful  
Yes you're beautiful  
Yeah you're beautiful  
Yeah you're beautiful

Yes you're beautiful  
Yeah you're beautiful  
Yeah you're beautiful  
You're beautiful  
Yeah you're beautiful  
Yes you're beautiful
