I got my lovin' and it's alright
Suga is sweet but sometimes she bite
Pucker up, baby and make it tight
Livin' my life, keep me up all night

Shake that ass until it's sore
Four click hole, baby, let it pour
It's 2 men at once, hey now fuck this score
Gimme one, two, three, four

Music industry and that's what we are
No one plays for free and everyone's a star
Sign the dotted line, we can have lunch sometime
And we can lie to each other, motherfucker

Sign the deal and we make it nice
So pour your suits and [Incomprehensible] ice
You can't live your dreams at twice the price
We're the house but you can role the dice

Now back in the day, people lived in fear
They bought no records, so they could not hear
The shit that I'm bustin' up in your ear
So come on, man, be with ya peers

Music Industry and that's what we are
No one plays for free and everyone's a star
Sign the dotted line, we can have lunch sometime
And we can lie to each other, motherfucker

Music industry and that's what we are
No one plays for free and everyone's a star
Sign the dotted line, we can have lunch sometime
And we can lie to each other, motherfucker

Music industry and that's what we are
No one plays for free and everyone's a star
Sign the dotted line, we can have lunch sometime
And we can lie to each other, motherfucker

Music industry and that's what we are
No one plays for free and everyone's a star

Sign the dotted line, we can have lunch sometime
And we can lie to each other, motherfucker
