Franky was a mook from the block we used to live on  
The wanna be the gangster  
The wanna be the dapper don,  
Don John on the wall, I said, "I'm your biggest fan"  
"Next to my little brother Paul"  
He's losin' his grip, like Pesci, he'd flip  
And you talk to his brother he said, "He always planned  
this trip"  
He wasn't oky dokie running around like Don Quixote  
Tryin' to free a man, he didn't even know B  
He had the roots and he bought the suits  
And the boys didn't like him to tell you the truth, yea  
He had J.G. on his pinky ring and he  
Lied about some doin' some time up in sing sing  
Flipped one fine summer afternoon  
He told his brother Paulie, somethin' had to be done  
soon  
He took Paulie and a couple of boys and jacked the  
Coup de ville to Illinois

La di da di, free John Gotti  
La di da di, la di  
La di da di, free John Gotti  
The King of New York  
The King of New York  
La di da di, free John Gotti  
La di da di, la di  
La di da di, free John Gotti  
The King of New York  
Man the King of New York

He got a clipper from a stripper, he met at a club  
Two sticks of dynamite and thirty eight snub  
He went to see the don, without an invitation  
And stood outside the gate with his three man  
demonstration  
Waving picket signs, and the C.O. saw a nine  
And only Paulie go away with the skin on his behind  
And back in the borough, the cops are acting thorough  
They raided Franky's room  
And then they saw his bureau, upon it was a note  
With a rhyme that was dope

How he was breakin' John out and how he couldn't cope  
I said, "I don't fly coach, never save the roach"  
The King of New York  
The King of New York  
I said, "I don't fly coach, never save the roach"  
The King of New York  
The King of New York  
I said, "I never fly coach, never save the roach"  
The King of New York  
The King of New York

La di da di, free John Gotti  
La di da di, la di  
La di da di, free John Gotti  
The King of New York  
Man the King of New York  
La di da di, free John Gotti  
La di da di, la di  
La di da di, free John Gotti  
The King of New York  
Man the King of New York

La di da di, free John Gotti  
La di da di, la di  
La di da di, free John Gotti  
The King of New York  
Man the King of New York  
La di da di, free John Gotti  
La di da di, la di  
La di da di, free John Gotti  
The King of New York  
Man the King of New York

The King of New York  
The King of New York  
The King of New York  
(Yeah)  
The King, the King, the King of New York  
The King of New York  
Now, the King of New York  
King, the King of New York  
King, the King of New York  
King, King, the King of New York
