Barry White, saved my life
And if Barry White, saved your life
Or got you back with your ex-wife
Sing Barry White, Barry White, it's alright

Now I was watching Banachek
My mind's eye right back when I was a seed
And learning 'bout life
At night they came together and gave me sight
He said it's better doing this, than sucking on a pipe

Now when she came over, she brought the discus
On and on, she promised to kick this
E W F, stole my breath
When he finished, there was nothing left

Barry White, saved my life
And if Barry White, saved your life
Or got you back with your ex-wife
Sing Barry White, Barry White, it's alright

Over and over, 'til it's ready
Sing about it low and fat like J.P. Ghatti
We make it happen, ass slappin'
Sitting on the point to where you never catch us nappin'

CO efino, he got the money grips
No parking for Saturday night and the pips
The pips know the hymns, they singing along
Like knowing the verbs is gonna keep you from the
twilight

Do a little like that
Barry White, Barry White
You know it's alright

Barry White, saved my life
And if Barry White, saved your life
Or got you back with your ex-wife
Sing Barry White, Barry White, it's alright

Barry White, saved my life

And if Barry White, saved your life
Or got you back with your ex-wife
Sing Barry White, Barry White, it's alright
