Blues and reds and 9 an' a half grand  
I had customs eatin' outta the palm of my hand  
And when the smoke didn't clear  
I looked for my bag  
Lies a little old lady whose traffic is skag  
For Bedo and Lewis I reflect through the noise  
Lyn' cheatin' killers but a nice pair of boys  
I catch my cue o yes love I've had it  
Sleepin' cabin easy that cab so I grabbed it  
Yo ma man I had it down town  
Chorus:  
De hado me, un poquito ms, now baby  
De hado me, my love, un poquito ms  
Now never say maybe especially to your girl  
Mine wanted answers so I gave her the world  
The drugs kept me goin' honey, the money's for bail  
My teen got the fear cause he's never been to jail  
I told them it wasn't mine put they knew me and  
pounced  
They found it we had good, I still got half an ounce  
Now baby, here I am back like the dead,  
Turn down the lights, time to have sex  
Chorus (x4)
