I got my lovin and it's alright,  
Suga is sweet,  
But sometime she bite.  
Pucker up baby and make it tight,  
Livin' my life,  
Keep me up all night.  
Shake that ass until it's sore,  
Four click hole baby let it pour  
Now it's 2 men at once  
Hey now f\*\*k this score  
Gimme One, Two, Three, Four...  
(Chorus)  
Music Industry,  
That is what we are,  
No-one plays for free  
And everyone's a star,  
Sign the dotted line  
We can have lunch sometime  
And we can lie to each other, aahhh  
We sign the deal and we make it nice  
So pour your suits and give you quality ice  
You can't live your dreams at twice the price  
We're the house,  
But you can role the dice.  
Now back in the day people lived in fear,  
They bought no records  
So they could not hear  
The s\*\*t that I'm bustin' up  
In your ear  
So come on man, be with ya peers!  
(Chorus 2x)  
Instrumental  
(Chorus 2x)
