The summer wind came blowing in
From across the sea
It lingered there to touch your hair
And walk with me

All summer long we sang a song
And then we strolled that golden sand
Two sweethearts and the summer wind

Like painted kites, those days and nights
They went flying by
The world was new, beneath the blue
Umbrella sky

Then softer than a piper man
One day it called to you
I lost you, I lost you to the summer wind

The autumn wind and the winter wind
They've all come and gone
And still the days, those lonely days
They go on and on and on

And guess who sighs his lullabies
Through nights that never end, yeah
My fickle friend, the summer wind

Yeah, the summer wind
Oh, the summer wind
The summer wind
Oh, the summer wind
The summer wind
The summer wind
