Keep on warin' 'cause that's what got us here  
Keep on talkin' till there's no one else to fear  
See, me and my brother might not be around next year  
'Cause one or another, cap slipped out of gear

In this sick world I see the babies dyin'  
From car bombs and blind eyes and prophet's lyin'  
In this sick world I'm feelin' all alone  
To reap the seeds of which we've sown

In this sick world I keep my mind just tight  
In this sick world I never punk the fight  
In this sick world I never saw no light  
So this sick world is blowin' up tonight

Freaks come out at night  
Freaks come out at night  
Freaks come out at night  
Freaks come out at night

Freaks come out at night  
Freaks come out at night  
Freaks come out at night  
Freaks come out at night

Keep on searchin' on this starless night  
Keep on preachin', every thing's gonna be all right  
Now load the weapon, these kids are just the age  
Have them kill the Texan and the man who takes his  
place

In this sick world I see the babies dyin'  
From car bombs and blind eyes and prophet's lyin'  
In this sick world I'm feelin' all alone  
To reap the seeds of which we've sown

In this sick world I keep my mind just tight  
In this sick world I never punk the fight  
In this sick world I never saw no light  
So this sick world is blowin' up tonight

Freaks come out at night

Freaks come out at night  
Freaks come out at night  
Freaks come out at night

Freaks come out at night  
Freaks come out at night  
Freaks come out at night  
Freaks come out at night

Freaks come out at night  
Freaks come out at night  
Freaks come out at night  
Freaks come out at night

Freaks come out at night  
Freaks come out at night  
Freaks come out at night  
Freaks come out at night

Keep on warin', keep on talkin'  
Keep on searchin', keep on preachin'  
Keep on warin', yeah, keep on talkin'  
Keep on searchin', keep on preachin'  
Keep on warin'
