### "Truly A Suffering"

When I weep on your shoulder  
You caress me with the warmest embrace  
Tears are not a comfort  
But truly a great suffering

Scarring of the soul a reminder of  
The bitterness,  
Gained through the years and years  
In despair  
What gift pays grieving  
But the loss of sadness for a moment

Ignorance of children - admirable  
They know not grief  
The reminder of sadness  
Is still grinding  
Still harvesting delight

A fragile bird he cannot fly  
Without his wings  
You cut them deeply  
When you were my God  
And Gods always fail you
