For me it's hard to say
(hard to say, hard to say)
And this might not be the way
And if you want to stay
My ghetto prince is smiling underground
And it makes me feel good to know you died
(died, died)

And this may not be the time
(time)
See I drank two things of wine
But I think that you will find
(find, find)
And my ghetto prince is smiling underground
My ghetto prince is smiling underground

Ain't got no guarantee
And I know it's hard to see
But there's a little more to me
(a little more to me)
And my ghetto prince is smiling from underground
Yeah my ghetto prince is smiling underground

But only for a while
(a while)
I still think I need your smile
(smile)
All the while
(while)
And my ghetto prince is smiling underground
Yeah my ghetto prince is smiling underground

Now this may not be the time
(time, time)
Cause I drank two things of wine
But I think that you will find
(find)
