It's just a hill of beans to some
Bums talking 6-figure shit, while they taking their lump
See I grew up on the hill but still I keep ready
Had a mind of my own like Wes gave to Freddy

As Freddy got clipped, man, so did my youth
Spending nights with my rights, knocked to my tooth
Yeah, it scarred my soul it fucked me up like vodka
Had me walking around mumbling shit like I was Latka

The hill don't discriminate, they know who you are
If you make it over the edge then baby, you the star
The big top knows all the choices you chose
Both respected and feared by your friends and your
foes

Now up on the hill is where you find us
Yeah, up on the hill that shit is timeless
Yeah, up on the hill that burns the brightest
Yeah, up on the hill, up on the hill

And up on the hill is where you find us
And up on the hill that shit is timeless
Yeah, up on the hill there ain't no contest
Yeah, up on the hill, up on the hill

Now go make your mound in an anthill, sonny
You be dead by 40, but you make a lotta money
A shot clock is dropped, choose when you choose
And if you ain't up on the hill, you lose

Now damn the jokes and damn the torpedos
Live a life of your dreams, like Boz did Lido
I said Lido, who-a-oh
I said one more time, ought to get it

Now look up, look up higher and see
It's not as hard as you figured it would be
Now 2 tons, 2 tons lighter
Agreed, now, if it's all right with you it's all right with
me

Now up on the hill is where you find us
And up on the hill that shit is timeless
Yeah, up on the hill there ain't no contest
Yeah, up on the hill, up on the hill

And up on the hill is where you find us
And up on the hill that shit is timeless
Yeah, up on the hill there ain't no contest
Yeah, up on the hill, up on the hill

Now up on the hill is where you find us
Yeah, up on the hill that shit is timeless
Yeah, up on the hill that burns the brightest
Yeah, up on the hill, up on the hill

Now up on the hill is where you find us
Yeah, up on the hill that shit is timeless
Yeah, up on the hill that burns the brightest
Yeah, up on the hill, up on the hill

Up on the hill is where you find us
And up on the hill that shit is timeless
Yeah, up on the hill there ain't no contest
Yeah, up on the hill, up on the hill

Up on the hill is where you find us
And up on the hill that shit is timeless
Yeah, up on the hill there ain't no contest
Yeah, up on the hill, up on the hill

Up on the hill is where you find us
Yeah, up on the hill that shit is timeless
Yeah, up on the hill that burns the brightest
Yeah, up on the hill, up on the hill

It's just a hill of beans to some
Bums talking 6-figure shit, while they taking their lump
See I grew up on the hill but still I keep ready
Had a mind of my own like Wes gave to Freddy

As Freddy got clipped, man, so did my youth

It scarred my soul it fucked me up like vodka
Had me walking around mumbling shit like I was Latka
