Verse 1:

I been in this game for years
And made me an artist
Blood sweatin' tears came to fault for this
Real live gangstas wanna be rappers
Real live singers wanna be actors
Comein' at ya
Fundisha the next chapter
Lessons inspired by the lord and my pastor
And ya'll ain't even ready for that
Hear my voice on the track
Beats bangin in ya cadillac

Chrous:

So you say you wanna be a superstar
Wanna live the life and drive a nice car
Wanna roc the ice and have a big house (I don't know)
Wanna be wanna be wanna be
Repeat 1 more time

Verse 2:

Now that I'm here, imma sing my song
Sing along to the track where my real people at
Where the truth I can't seem to find it anywhere
I'm truth living proof or danger tell it since my youth
cause
Many are called but few are chosen
I spread the word like Abraham and Moses
My life is bright, it might hurt eyes , realize it's a gift
from god

Chrous:

So you say you wanna be a superstar
Wanna live the life and drive a nice car
Wanna roc the ice and have a big house (I don't know)
Wanna be wanna be wanna be
Repeat 1 more time

Verse 3:

Everybody wanna sing
Everybody wanna rap

Everybody wanna do there thing
But everybody can't
And everybody wanna be in the video
And everybody wanna do a show
And everybody wwna be an artist
But everybody can't (everybody can't, everybody can't
)

Chrous:

So you say you wanna be a superstar (you wanna be)
Wanna live the life and drive a nice car
Wanna roc the ice and have a big house (wanna roc
the ice)
Wanna be wanna be wanna be (no no no no)

So you say you wanna be a superstar
Wanna live the life and drive a nice car (no no no)
Wanna roc the ice and have a big house (no voice no
talent, and no
Love)
Wanna be wanna be wanna be

So you say you wanna be a superstar (do you really
know)
Wanna live the life and drive a nice car
Wanna roc the ice and have a big house
Wanna be wanna be wanna be

So you say you wanna be a superstar (I don't think so
no no no no)
Wanna live the life and drive a nice car
Wanna roc the ice and have a big house
Wanna be wanna be wanna be

So you say you wanna be a superstar (no no no)
Wanna live the life and drive a nice car (you wannabe,
you wannabe ,
You
Wanna be)
Wanna roc the ice and have a big house
Wanna be wanna be wanna be
