A pretty girl (she looks) so nice to me but she's a bit
insane
I just want to love her but she wants to play her games
In her black leather she drives a drag mobile
And when she comes round she's wearing stiletto
heels

Black Leather Girl
You are sweeter
You're a teaser
But you are...a bitch!!

Small legged cunt comes here to me
Fishnet stockings, princess of my dreams
I wanna be with you but I don't know what you want
My heart is bleeding and my dick is hard

Black Leather Girl
You are sweeter
You're a teaser
But you are...a bitch!!

Tell me what you want and I'll do what you please
I'm behaving bravely but you love to tease
But you don't do anything I can understand
You drive me crazy woman but you're cold as icy hell

Black Leather Girl
You are sweeter
You're a teaser
But you are...a bitch!!
