YOU SEE THIS MAN IN A PUB, He looks pretty upset
You know he's upto something corse his face is turning
red
He takes a hudge hand-grenade and puts it in your
mouth
You hardly know what's going on, now it's to late to
shout

TERRORIST ATTACK x2
BETTER TAK A HIDE
CAUSE THEY'LL SHOOT YOU IN THE BACK
TERRORIST ATTACK x2
RUN FOR YOUR LIFE
Or YOU GONNA END UP DEAD

A Secret meeting's going on where no one nows about
This must be a conspiracy, their leader's shouting loud
:
"Our mission will succed whiyh the helping hand of
God"
Panic all around, there's no way to make it stop

Ref

No place to run or hide, there's no possible escape
How many more dead people is this slaughter gonna
take ?
Talkink ain't no use, cause the've got a blind vision
Though you will be seeing it, live on television !
