Father
I call your name upon the
furious winds
I'm possessed by the
spiritual strength of Hell
In the chambers of my dark
heart a black flame burns
Satan
I summon the horned one
from the darkened realms
Grant me the darkened
unholy power
To please my evil wicked
lust
The coveted hour has
finally arrived
The hour when darkness
over skies descends
Under the pale light of the
frozen moon
I prepare the virgin for
sacrifice
I whisper forbidden names
upon the skies
Nocturnal visions reveals
before me
Nightfall embraces my
hateful cries
As I fulfill my dark desires

My dark desires
My dark desires
My dark desires
My dark desires

Satan
take my soul to hell
I must burn in unholy
flames
Satan
take my soul to hell

I must burn to purify my
weak soul
Father
I call your name upon the
furious winds
I'm possessed by the
spiritual strength of Hell
In the chambers of my dark
heart a black flame burns
Satan
I summon the horned one
from the darkened realms
Grant me the darkened
unholy power
To please my evil wicked
lust
The coveted hour has
finally arrived
The hour when darkness
over skies descends
Under the pale light of the
frozen moon
I prepare the virgin for
sacrifice

Bring damnation upon my soul!

My dark desires
My dark desires
My dark desires
My dark desires

Satan
take my soul to Hell
I must burn in the unholy
flames
Satan
take my soul to Hell
I must burn to purify my
weak soul
