Please, listen and let me in
Can we talk it through
We worked so hard together, it would be a shame
Just the thought of you makes me weep

I don't want to be without you for a minute
I don't want to be without you for a day
'Cause I don't want back in out of the rain

Here today, gone tomorrow
It will never fade
If you could feel my sorrow and pain

If you hurt, what would you say

I don't want to be without you for a minute
I don't want to be without you for a day
'Cause I don't want back in out of the rain

Please listen, let me in
And can we talk it through

I don't want to be without you for a minute
I don't want to be without you for a day
'Cause I don't want back in out of the rain

Out of the rain
