In a war far away, what are they fighting for?  
Most on this problems that we cannot seem to get  
along  
If there were problems there can't they solve them  
now?  
Although you may not comprehend peace is fought for  
in the end

It's not a perfect world, I don't wanna lie  
Sometimes it makes me laugh  
Sometimes it makes me cry

Will there be such a day when peace comes to stay?  
With all the problems in the world, I can't tell you that it  
would  
Don't they know that through peace we could change  
the world?  
It's seems to me they know no more that peace is what  
they're fighting for

It's not a perfect world, I don't wanna lie

Sometimes it makes me laugh  
Sometimes it makes me cry

I'm beginning to wonder why  
I won't tell no lie, I just don't know why  
No matter how I try, I wonder why, I wonder why

When I'm grown and a man, will I fight a war?  
I hope there'll be no wars by then  
But the fight for peace may never end

It's not a perfect world, I don't wanna lie  
Sometimes it makes me laugh  
Sometimes it makes me cry

It's not a perfect world, I don't wanna lie  
Sometimes it makes me laugh  
Sometimes it makes me cry

It's not a perfect world, I don't wanna lie

It's not a perfect world, I don't wanna lie  
It's not a perfect world, I don't wanna lie  
It's not a perfect world
