See that copper across the street
He's out for me, I feel the heat
I gotta watch out, I can't get away
He grabs his baton, don't know what to say

I didn't steal anything
didn't rape anyone
but he beats me down
BEATS ME DOWN

didn't spit in his face
haven't kicked in his car
though I hit the ground
HIT THE GROUND

(I say) COPS ARE NO HUMAN BEINGS

Looking for a riot now, late at night
I wanna take take revenge, I'm ready for a fight
I'm on with my mates, and we gonna make 'em clear
We do what we want, and we won't SHOW NO FEAR
