Iscariot wings  
Spanning beyond the gaze of Christ  
Carrion feast  
A carcass glazed in ticks and lice  
Virgin Mary  
Mother burdened with unborn babe  
Spread her legs  
My knife shall penetrate her cave

Vaginal blood tastes like fear  
All inhibitions disappear  
Break down the doors of mother church  
Holy daughters will feel the pain  
Burned up inside from my taint  
This is really going to hurt

The taste of sisters suits my palette  
Becoming the Nunrapist  
The ruin of angels, virginity gone  
Becoming the Nunrapist  
Incantations to provoke their lust  
Becoming the Nunrapist  
Leave them to drown in blood and cum  
Becoming the Nunrapist

Her chastity knows no bounds  
Break the seal!

I throw the feces of Epicures upon the holy cross  
In mocking howls of ecstasy, brutalizing God  
Virgin lips and glancing eyes, fear, anticipate  
Breaking hymen left and right with rage I violate

The taste of sisters suits my palette  
Becoming the Nunrapist
