No matter where you go
They'll fucking tie you down
And bleed you from your wrists
(Bleed you from your wrists)

Well, it's better that we leave
Leave it this way
(Leave it this way)

And just to soften the blow
I'll steal all of your kisses
(Your kisses)
And sew them up
In the creases of our hearts

No matter where you go
They'll fucking tie you down
And bleed you from your wrists
(Bleed you from your wrists)

Well, it's better that we leave
Leave it this way
(Leave it this way)

And just to soften the blow
I'll steal all of your kisses
(Your kisses)
And sew them up
In the creases of our hearts

And just to soften the blow
I'll steal all of your kisses
(Your kisses)
And sew them up
In the creases of our

Hearts, hearts
I never really loved you anyway
Hearts, hearts
I never really loved you anyway

Hearts, hearts

I never really loved you anyway
Hearts, hearts
I never really loved you anyway

And I'm the one thing you betted on
Don't ever let them take you down
Oh, I'm the one thing you betted on
Don't ever let them take you down
