Steal this night away
So that we're not waiting
The feeling in my gut
Makes my head ache
And the feeling that i get
Walking downstairs
The feelings of surprise
Before my eyes

It's a miracle
It's a miracle
On this christmas day
On this christmas day
It's a miracle
It's a miracle
It's on this christmas day

And the gifts that we all gave
In remembrance
Of this final day
To ease this miracle

It's a miracle
It's a miracle
On this christmas day
On this christmas day
It's a miracle
It's a miracle
On this christmas day
On this christmas day

The snow is falling down
Around us now
The snow is falling down
Around around
The snow is falling down
The snow is falling down
The snow is falling down

It's a miracle
It's a miracle
It's on this christmas day

And It's on this christmas day
It's a miracle, yeah
It's a miracle
It's on this christmas day
oh on this christmas day

It's a miracle
It's a miracle
On this christmas day
Oh on this christmas day
It's a miracle
It's a miracle
It's On this christmas day
