In the black and white, you're wounds all bound  
Sitting at the table, you're biting nails all short  
We to the consequence of adultery  
Well as he rips you from your skin

We're all playing for this and in your prayers  
Will you believe?  
Would you believe?

You believe, you believe  
Just for the first time  
You believe, you believe  
Just like the last time  
You believe, you believe  
A seam away from breaking  
You believe, you believe  
Always forever

We're tasting you for the first time  
Just to breathe you in  
We're breaking you for the first time  
We'll bathed sin  
We'll bathed sin

You believe, you believe  
Just for the first time  
You believe, you believe  
Just like the last time  
You believe, you believe  
A seam away from breaking  
You believe, you believe  
Always forever

Will the embers will burn you?  
Will the embers will burn you?  
Will burn you  
Will burn you tonight  
Will burn you  
Will burn you tonight

Moments forever faded  
Will burn you tonight

Moments forever faded  
Will burn you tonight  
Moments forever faded  
Will burn you tonight
