Wasting time
It's over and ended
Wasting time
We deserve
Hold that line
They ask us in safety
Hold that line when we talk

I can see the headlights and pavements
My legs can't carry me that far
And if this distance isn't enough
They'll cry another river to see you drown
(See you drown)

Faceless lies
It's easy to speak when
Every word is your own
Selfish eyes
Look onward in protest as we
Tear down their disguise
Their disguise

I can see the headlights
I can see the headlights and pavements
My legs can't carry me that far
And if this distance isn't enough
They'll cry another river to see you drown
(See you drown)

I can see the headlights and pavements
My legs can't carry me that far
And if this distance isn't enough
They'll cry another river to see you drown
(See you drown)

Your days were golden
Days were golden
While we bled
Your days were golden
Days were golden
While we bled
While we bled

While we bled
