I'd like to say something  
slow down the bandwagon  
there's a million reasons  
I don't want to be here  
but you don't know me well enough  
to be the last on my list  
what did I miss?  
you win the most points

I hope you're getting this  
because I don't know when I've been this good

you don't know what it's like  
to be a slave and not get paid  
why don't you save it  
don't even try to erase it  
because that's the way it is  
and I hope it makes you sick

that I'm not even warmed up yet

make your last word hurt  
before you let me go  
next time I see you  
don't be in the front row

slow down the bandwagon

I'd like to say something  
and I hope it makes you sick  
that I'm not even warmed up yet
