Scared to open up these eyes
To see just what's inside
This tree is dead and cold
This house is not a home

Help me now I'm dying here alone
This is not a new game
So don't think that you know
Casually I confide

Awake and paralyzed
Forever in one word
Forever is the longest time
It's the only cure
I'm not sure I'll survive

This is not a new game
So don't think that you know
Can you see these blood shot eyes?
Can you see?

That my strength is failing
And I can't go on this way
And this hearts not beating
It just doesn't seem the same

And my strength is failing
And I can't go on this way
(Can't go on this way)

Promise me, promise me
Promise me, you will not ever leave
Promise me
(You will not ever leave)

Promise me
(You will not ever leave)
Promise me
(You will not ever leave)
You will not ever leave

And my strength is failing

And I can't go on this way
And this hearts not beating
It just doesn't seem the same

It doesn't seem the same
It just doesn't seem the same
