Are you close enough to hit?  
Are you close enough to kiss?  
Are you brave enough to fail?  
Are you strong enough to kill for what you love?

We are a home,  
We are the heart that beats  
The backbone and the spine  
We are alone,  
We are the heart that beats  
Standing eye to eye  
Eye to eye

Are you rotten to the core?  
Are you dead on the inside?  
Are your failures not enough?  
Are you strong enough to kill for what you love?

It's not enough to kill  
The ones you thought you'd love to hate  
Love is love it's not enough to kill  
The ones you thought you'd love to hate

We are a home,  
We are the heart that beats  
The backbone and the spine  
We are alone,  
We are the heart that beats  
Standing eye to eye  
Eye to eye
