As you swallow this confession
And leave me with this scar.

As it takes another second
To let me go too far
It doesn't seem to matter, Anymore
We're all as travelled
It's taking me home.

I could write another letter
And never write one word.

As it takes another second
To let me go too far
It doesn't seem to matter, Anymore
We're all as travelled
It's taking me home.

And if you want me to hold you, I won't...

We're all as travelled

It's taking you home.

As you swallow your confession
And leave this as it is
As it takes another second
For I wished I was dead.

The letters you wrote me. (3X)

I wished I was dead.
I wished I was dead.

This letters gone too far
And I can't let you go.
