All the words that we have to say
They don't leave when the moment comes
We know we have to wait

As the days go on
And the places fade away
Into dirt, into dust, it all fades away

And the waiting is the hardest thing to take
In a moment more before we break

If you have to let it go
And these dreams keep you awake
If you have to let it go, walk away

And the shapes we want to see
Don't leave another piece
That this puzzle needs

And the waiting is the hardest thing to take
In a moment more before we break

If you have to let it go
And these dreams keep you awake
If you have to let it go, walk away

And the waiting is the hardest thing to take
In a moment more before we break

If you have to let it go
And these dreams keep you awake
If you have to let it go, walk away

If you have to let it go
And these dreams keep you awake
If you have to let it go
Walk away
(Walk away)

If you have to let it go
And these dreams keep you awake
If you have to let it go

Walk away
(Walk away)
