Across the qlipha burst and break  
Descend into formation ye inverted  
Creack and shatter what lieth ye ahead  
Pour forth as blind madness to bind the flesh

Piece by piece, come ye forth  
Ye angels of ecstasy/demons of revelation  
To unmask the innermost face of the world unuttered  
To reveal the harloty of JHVH

Across the qliphoth, seek ever higher  
Ascend from formation, ye wicked  
Sweep and swirl through all seven planes  
And enter the highest triade

Piece by piece, come thou forth  
Thou slithering worm of duality, divine whore  
For said thou not; "I am the Alpha and the Omega"?  
And are these not the words of a passionate serpent?

Through the crust, penetrate  
Swarm ye as insects into the all-mind  
And inspire it's sun to shine upon a day, when God and  
Judas are united

I am thy Anubis, open for thy rebirth in flesh  
So uphold firmly through me the renewal of all in one  
quint  
Pentamaximus... The holiest of morals, ye pestilence of  
existence  
Summon for the binding of all... to kill the self of God

Across the qliphoth, incarnate  
Manifest into being, ye blessed  
Corrupt and scatter what lieth ye ahead  
Pour forth to unite us with death  
Denepo-re eb ot reven... delaes si elcric ehT

Through the crust, penetrate  
Swarm ye as insects into the all-mind  
And inspire it's sun to shine upon a day, when God and  
Judas are united...

And together crucified
