Move it, move it, move it, soldier
This is Uncle Jam's army, see
Where we move it, move it, move it

Oh
Get live, soldier
Move it, move it, move it
Move it, move it

I'm your thrill instructor, see?
And when I say
Move it, move it, move it, move it

Oh
Move it, move it
Get live soldier
Move it, move it, move it

Move it, move it, move it, move it
This is Uncle Jam's army, see
Where we move it, move it, move it, move it
Move it, move it, move it, soldier

Oh
Get live, soldier
Move it, move it, move it, move it
Move it, move it, move it, move it
