Wooo!
Come on, huh!
Woo-ooh!
Ice cubes on a red hot stove will melt, and I bet ya
A drowning man's very first words is help, I bet you
If you bet on a horse and the horse don't win, you lose
and I betcha
If you try to sit on air, you're gonna fall, and I betcha
If you want a winning hand
If you want a perfect man
Betcha never lose my love
You will win, I betcha
Betcha never lose my love
You will win, I betcha
Take a car without fuel, ain't gonna move, and I betcha
A carpenter can't build his house without his tools, I bet
you
If the shoes are too small they hurt your feet, and I
betcha
You can't know what's going on if you're asleep, I bet
ya
If you want a winning hand
If you want a perfect man
Ha!
Betcha never lose my love
You will win, I betcha
Oh yeah!
Betcha never lose my love
You got to win, I betcha
Ohh, wowowowowowowowowow
Ah yeah!
OH get down! Uhh!
Come on, come on!
I betcha
You ain't gonna lose
You won't lose
Oh, yeah!
Bet you never lose my love
Bet you never lose my love
Bet you never lose my love, I'm a winner
Bet you never lose my love, come on
Bet you never lose my love, stuck by you

Bet you never lose my love, you can't lose
Bet you never lose my love, you stuck by me
Bet you never lose my love, bet on me
{variations continue til end}
