I don't want a love  
That's burning fast  
Ten-to-one  
Ah, that it won't last  
Now I take a love  
That's burning slow  
Then bend an eye  
And watch it grow  
Let's make it last  
Let's make it good  
Let's make it last  
Let's make it good  
Whoa, lord!  
I don't want a love  
Like apple pie  
Good while it lasts  
Oh, when it's gone, you wanna cry  
I don't want a love  
Like a sunny day  
Out come the clouds  
Chase it away  
Let's make it last (whoo-hoo whoo-hoo-hooo)  
Let's make it good  
(x2)  
Oh lord!  
Whoo-ooh!  
Oh lord!  
I don't want a love  
Like a racing car  
Hey, win today  
And lose tomorrow  
I don't want a love  
That's burning fast  
Ten-to-one, hey baby!  
It won't last  
Let's make it last (whoo-hoo whoo-hoo-hooo)  
Let's make it good  
Let's make it last (whoo-hoo whoo-hoo-hooo)
