Miss Lucifer's love  
She's the devil, and I like it  
Miss Lucifer's love  
Ooh, her love is so exciting  
Miss Lucifer's love  
Don't you know she really grooves me  
When she come  
I'll be there to meet her  
When she come  
Don't you know I'm gonna stand up and greet her  
Miss Lucifer's love  
She's the devil and I like it  
Ooh, her love is so exciting  
Don't you she really groo-ooves me  
When she come  
I'll tell it on a mountain  
When she come  
I'll drink from her unholy fountain  
Miss Lucifer's love  
She's the devil and I like it  
Miss Lucifer's love  
Ooh, her love, it's so exciting  
Miss Lucifer's love  
Oooh, the girl she really grooves me  
She just wants to satisfy (x33)  
Miss Lucifer's love (x10)
