Stick it  
Stick it  
Stick it!  
Stick it  
Let me talk to you for awhile  
Love me my way, you're in style  
And got some ? on your mind  
Your lovin', taste my wine, yeah  
Feel it, feel it  
Listen to this  
Tell all your friends and anyone too  
That they'll be there pretty soon  
Philmore baby  
That's all you need  
Philmore is gonna be guaranteed  
Sometimes it smells, you know?  
Feel it  
Stick it  
Stick it!  
Stick it, stick it, stick it!  
Chicken...  
Everybody's got a problem  
And you don't even give a damn  
Up on you, like I said  
Everybody's got a problem  
But you don't even give a damn  
Everybody's got a problem  
But you don't even give a damn (mm, ha!)  
Everybody's got problems  
But you don't even care  
You don't care and you don't care, yeah  
Everybody's got a problem (everyone's got problems,  
y'all)  
But you don't care and you don't care  
Everybody's got problems  
But you don't even give a damn  
Do what you want to do  
Everybody's got problems  
But you don't even give a damn  
Everybody's got problems (stop and stare, beware)  
But you don't even give a damn  
Everybody's got problems (Stick it stick it) (Good god)

But you don't even give a damn (Philmore sometime)  
Hit it
