The world is a toll-free toilet
Our mouths neurological assholes
And psychologically speaking
We're in a state of mental diarrhea
Talking shit a mile a minute
Or in a state of constipated notions
Can't think of nothin' but shit
And in this world of
Stinky futures, shitty memories and
Constipated 19 now-nows
Emerges from the hiney of your head
The doo doo chasers,
The Promentalshitbackwashpsychosisenemasquad
The prune juice of the mind
The doo doo chasers
Friends of roto-rooter
Bringing you music to get your shit together by
The band in the tidy bowl of your brain
(What was that long word again-Promental?)

A musical bowel movement
Designed to rid you of moral diarrhea
Social bullshit
Crazy do-loops
Mental poots

They call us the unflushables
One swipe a clean wipe
(Go flush it, fellas)

And what causes all of this shit?
What is the source of food for thought?
Ego-munchies
Images doggie bags
Me burger with I sauce on it
Me burger with I sauce on it
A myself sandwich
A personal burger
Hamburger
And a glass of constricted cola
Out to lunch with lunch meat

The fear of being eaten by the sandwich
The Promentalshitbackwashpsychosis-----
The doo doo chasers
Friends of roto-rooter
Music to clean your shit by

Low calorie logic
Muscle brain
Skinny brain

Count the calories of your thoughts
Funk, Confucius says
Like Chinese laxatives
Sweet and sour bowel movements
And in this world of stinky memories
Shitty futures
19 now news-constipated-like
The prune juice of the mind
The band in the tidy bowl of your brain
