Ahhh, ahhh (x4)

I call my baby pussy

P-u-s-s-y

(x4)

I'm the tomcat and you're my li'l ol' pussy

And I'm just sittin' here, lickin' my paws

I'm the tomcat and you're my li'l ol' pussy

Why don't you scratch me on my back with your claws?

Your eyes my shine, your teeth may grit

But none of my pussy you're sure gonna get

Put your foot on the rock

Good god!

I don't know but I've been told

That dog's a man's best friend

Wild and warm is my pussy

My pussy is where it's at

I call my baby pussy

P-u-s-s-y

(x3)

(bring it down)

(whoo, whoo!)

Uninvited into my brain

Her body creeps at will

Making love unto my thoughts

That my purple mind can feel

Pussycat, pussycat is her name

I'm telling you no lie

Pussycat, pussycat is her name

Ask me again and I'll tell you why

I call my baby pussy

P-u-s-s-y

(x2)

(oh lord)
