You hit the nail on the head

You hit the nail on the head

Just because you win the fight
Don't make you right
Just because you give
Don't make you good

Just because you win the fight
Don't make you right
Just because you give
Don't make you good

Just because you win the fight
Don't make you right
Just because you give
Don't make you good

Just because you win the fight
Don't make you right
Just because you give
Don't make you good

Just because you win the fight
Don't make you right
Just because you give
Don't make you good

Just because you win the fight
Don't make you right
Just because you give
Don't make you good

Just because you win the fight
Don't make you right
Just because you give
Don't make you good

Just because you win the fight
Don't make you right
Just because you give

Don't make you good

Just because you win the fight

Don't make you right

Just because you give

Don't make you good
