"All The Love We Hold Inside"

have you ever felt a pain
you've tried to erase?
but you're feeling high you're feeling low
but it still remains
feels the time is near
have got to let is go
and open up my heart again
cause hate is all you show
and i just wanted to feel all the love
that you hold inside
never let it escape
all the love that you hold inside
you keep pushing me away
with all the love that you hold
inside
how long can i run?
run from the past?
it's the pain that takes to burn a whole
right trough my chest
to say that you love me
will make you feel weak
it's easier for you to hate
cause your love is like a breeze-oh
and i just wanted to feel all the love
that you hold inside
you never let it escape
with all the love that you hold inside
you keep pushing me away
with all the love that you hold
inside
you hol-old
inside
that you hold inside
you never let it escape
all the love that you hold inside
you never let it escape
all the love that you hold inside
you keep pushing me away
with all the love that you hold inside
hold inside

that you hold inside
hold inside
