You're so beautiful, you're so beautiful  
You're so beautiful, oh so pure like a child  
You were always locked up by yourself  
Wasn't there when you died

Didn't get to bury you, didn't get to bury you  
Didn't get to bury all that you one last time  
One last time

You're so beautiful, you're so beautiful  
You're so beautiful, you were beautiful  
Your fur's so white, your patches are brown  
There's a stillness in my heart, are you happier now?

You know I loved you, you know I love you  
You know I loved you but I think I love you more  
Now that you're gone

You were beautiful, you're so beautiful  
You're so beautiful, you're so beautiful  
You were beautiful

When you ran through the field  
When you ran through the field  
When you ran through the field  
With the pretty flowers that smelt good

As you ran through the field  
As you ran, do you run?

You were beautiful, you're so beautiful  
You were beautiful, you're so beautiful  
You were beautiful, you're so beautiful

You were beautiful, you're so beautiful  
You were beautiful, you're so beautiful  
You're so beautiful, you're beautiful
