The lie took to me  
I am only doing this, the  
Freedom, share now, others lust for new far  
wholesome sky...  
So I get up... under her fury can I  
Let the water, run over me as I close my eyes.  
And I feel sadness when they Prey on your weakness!

Watching Mother I could feel your anger  
Watching Mother I could taste your aguish  
Watching Mother I could feel your anger  
Don't blame you for crying

So take me back...  
To the, water where I pray for her first  
And once said, my life it was so pure  
I can kill a man, because he doesn't see that  
Pictures are the, she is the one, who endures the pain  
And I feel tragic, when they prey on your weakness!

Watching Mother I could feel your anger  
Watching Mother I could taste your aguish  
Watching Mother I could feel your anger  
Don't blame you for crying  
Watching Mother I could feel your anger  
Watching Mother I could taste your aguish  
Watching Mother, I could feel your anger  
Don't blame you for...

And I don't want you to keep, drowning yourself  
You don't have to keep on drowning yourself  
I don't want you to keep, drowning yourself  
You don't have to keep on drowning yourself...  
No... x 4

I may think that, they're so important  
Love can never be as divine  
As she is so, just remember, if that is the place where  
you come from  
And I feel sadness, when they prey on your weakness!

Watching Mother I could feel your anger  
Watching Mother I could taste your anguish  
Watching Mother I could feel your anger  
Don't blame you for crying  
Don't drown in...

And I don't want you to keep, drowning yourself  
You don't have to keep on drowning yourself...

I don't want you... x 3  
To Runaway like this...
