Oh-Oh-Oh-Oh!  
Oh-Oh-Oh!

let's go down  
to forgiving sea  
the lights were found  
when all you do is bleed

if you're sad then you may come with me  
we can be sad together as we figure a way

to escape  
this world of emptiness and  
full of hate  
because you'll never forget  
the only place that we are free  
is on this bleeding stage and that's  
where i'll be

i wanna drown  
myself inside you  
love's desire  
is to make all pure and true

life when i was a little boy so alive  
now i'm old and just want to find a way

to escape  
this world of emptiness and  
full of hate  
so i run down to the sea cause  
the only place that we are free  
is inside a wave and that's  
where i'll be  
as i Bleed-I-I-I-I-I!!

when i was a little boy i was alive  
now i'm old and know what goes on  
Behind Your Mother Fucking Eyes!!  
So That!

and when the beat goes down

come on come on come on come on!  
and when the beat goes down  
come on come on come on come on!  
and when the beat goes down  
come on come on come on come on!  
when the beat goes down  
come on come on come on come on!

i will be free  
so come with me

to escape  
this world of emptiness and  
full of hate  
sometimes you'll never forget  
the only place that we are free  
is on this bleeding stage and that's  
where i'll be  
as i  
bleed-I-I-I-I-I!

come on come on come on come on!  
come on come on come on come on!  
come on come on come on come on!  
come on come on come on come on!
