"Forever Ever And A Day"

and so here we are
the crossroads of the heart
and i don't wanna part
whoa-ho-oh
did someone else touch you?
and does that mean we're through?
i'm trying to hold on on-on-on!
what's it gonna be?
is it him or me?
when it's like i'll feels this way forever and a
forever ever
forever ever and a day
does he kiss the way i do?
and told you wasn't true?
who asked my world turns blue?
whoa-ho-oh
and all those years we've tried
they culminate inside
as our love started to-oo-oo-oo-oo!
what's it gonna be?
is it him or me?
when it's like i'll feel this way forever and a
forever ever
forever ever and a day
forever ever
forever ever and a day
forever ever
forever ever and a day
forever ever
forever ever and a mother fucking day now!
we've been pulled apart
forever and a day now
seems our love has fought
so when you got to get up now boy and be strong
cause it looks like she's moving on
but i hope it will give you what you want
so guess this is goodbye
all i can do is cry
cause you were my bestfriend
whoa-ho-oh

and as our time draws near
when in this world of fear
i hope we'll meet again-ain
oh-ho-oh
what's it gonna be?
is it him or me?
when it's like i'll feel this way forever and a day
well baby can't you stay?
cause you were meant for me
cause if this is the end i love you
forever and a day
oh-ho-ho
forever and a day
oh-whoa-oh
forever and a!
forever ever
forever ever and a day!
forever ever
forever ever and a day
forever ever
forever ever and a day!
forever ever
forever ever and a...
