Turning inwards as I lie  
Fearing what else I'm doing  
Pondering a world of hope  
Watching the flying doves

But say farewell to faith  
And tomorrow's dream of life  
'Cause merely today is  
The day that I will die

So don't forget me  
If we don't make it  
'Cause I'm so scared  
Standing naked

Maybe one day I'll figure out  
What is going on inside, my kind grows so angry  
Sometimes feels good to cry  
And can you feel the void between us

I guess I'm the one to blame for this  
Maybe one day we'll meet again  
Losing ourself in the seas of bliss  
The seas of bliss

Don't forget me  
If we don't make it  
'Cause I'm so scared  
Standing naked

And I can't feel the pain  
Of this world and want to  
Become as wide as  
The shy and forest

Just one last caress  
Of the Pacific  
We can be one tonight  
Through the pain and the fight

Just one last caress  
Of the Pacific

We can be one tonight  
Through the pain and the fight

Turning inward 'cause of you  
Sometimes the ones we heal  
An image of the rest  
Two words unable to mesh

So let your flesh devour our dead skin  
Leaving us fresh and free from old sin  
Maybe we'll have one last caress  
Like it will be our last breath, so

Don't forget me  
If we don't make it  
'Cause I'm so scared  
Standing naked

Don't forget me  
If we don't make it  
'Cause I'm so scared  
Standing naked

And I can feel the pain  
Of this world  
And want to become as wide as  
The sky and forest

Just one last caress  
Of the Pacific  
We can be one tonight  
Through the pain and the fight

Just one last caress  
Of the Pacific  
We can be one tonight  
Through the pain and the fight

Just one last caress  
Of the Pacific  
We can be one tonight  
Through the pain and this fright
