Let me tell you a story  
Out of my small prison cell  
My life had not much glory  
But I will burn in hell

Fantasies overcome everyone  
A danger love, you will not get enough  
Fantasies, it's in your mind  
This danger love, not just for you and me

Fantasies overcome everyone  
A danger love, you will not get enough  
Fantasies, it's in your mind  
This danger love, not just for you and me

I really thought she was eighteen  
But she was only eleven  
Acting like a porno king  
I thought I was in heaven

Her father became upset  
When he noticed what we've done  
I was really going mad  
Because there was no chance to run

Fantasies overcome everyone  
A danger love, you will not get enough  
Fantasies, it's in your mind  
This danger love, not just for you and me

Fantasies overcome everyone  
A danger love, you will not get enough  
Fantasies, it's in your mind  
This danger love, not just for you and me

I killed her father in that night  
And then I killed his daughter  
Didn't know what's wrong, what's right  
That made me doing the slaughter

Fantasies overcome everyone  
A danger love, you will not get enough

Fantasies, it's in your mind  
This danger love, not just for you and me

Fantasies overcome everyone  
A danger love, you will not get enough  
Fantasies, it's in your mind  
This danger love, not just for you and me

I told you my little story  
Out of my dark prison cell  
My life had not much glory  
And I am burning in hell
