Yeah, Kaotic in the house!  
(That's that shit, that's that shit)  
That's that, that's that, that's that, that's that shit!  
(That's that shit, that's that shit!)  
That's that, hah, that's that shit!  
(Kaotic Style)  
Yo that's that, that that that's that shit!

Aiyyo I be the trife one in the night son it's the lifer  
Sometimes I think I'm losin my mind, keep on fallin  
behind  
SCRAMMMMMMMMMMMMMMM nigga, it ain't gon' be no  
strike three  
To bring the fuckin pain and pissed herbal blitz  
Don't miss, I bet y'all niggaz know I'm comin out, POW  
Bring yo' biggest, throw yo' riches, only stitches  
From the depths of East New, off of ??  
Equipped with click, A TOP PICK, I bust one  
Through your fuckin head, these bitches always seem  
to wanna  
Be my third leg, but they might involve the Feds -  
NAHHHH  
In this land of hardrocks and glocks  
I reign supreme, like wet pussy does to the hard cock  
Now takin flight it be the schitzo, from B.K. to Frisco  
Disco debonaire with savoir faire  
Ahhhhhhh, god damn, it be the Scram on a mission  
Out to get much wampum, I got to stomp em  
On the warpath at last, Digguh bless these mics and  
pass  
'fore I get up in that ass, check this out  
Check, check check check  
I'm spittin deadly venom up in em, Bronx got high  
Send em to that fuckin green pasture in the sky  
One two three, the three is called Kaotic Style  
Exotic and wild, freestyles come in large piles  
Get down with this, get down with this  
Kaotic in the flesh, hittin every mix

East, New, be the rest  
Come and test, one of the best in the field  
Niggaz yield, for this jiggy appeal

That I be applyin, underground niggaz be dyin  
For, all, suicide  
Homicide, come let the drama ride  
Dunn V-Day  
You be the one to kick that shit that fat nigga from ??  
(East New York) Hah, when you get yo' ass ripped  
Four niggaz to bend you and your melon type steady  
(POW) Ka-otic Stylin  
Better be dialin 911, cause we whylin  
Hah, crooks on the left, shorties in the back  
That juggle, more pieces than puzzles  
We guzzle, straight quart liquor  
Hand out the logo with the diamond knife for a sitcker

I got plenty niggaz tryin to kill me, shit is for real G  
You want that rugged shit, then we slang it for ??  
Your shit is crappy, the keep it real - you don't attract  
me  
I got some partner niggaz from the ave that won't back  
me

Son no bullshittin, now it's time for you to play the piper  
Tell me how's it feel to have these hot fuckers inside ya  
I send you six feet deep, that means eternal sleep  
My click remains crooked, on the rise to ??  
Worrrrrrrst niggaz seem to multiply in sections  
We all headed for that same criminal direction  
But make the wrong move and catch that lethal  
injection  
When pussy go down, you best to run for protection

So don't sleep, I think you know the deal  
A niggerish mentality is strictly how I feel
