60 minutes of funk, volume 4 baby

Seven days of working no breaks

Gotta take a day off to unwind

It gives me, time to get away

A little time to ease my mind, my mind, my mind

1- forget about your worries

Save all problems for tommarow

Tonight i'm just trying to have a good time

Dj play, the easy way

The music right, do it to to me

Don't you wanna live the good life?

2- (the good life)

No stress, good friends in

(the good life)

Lay back relax, it's the

Good love, no messes the

(the good life)

Wanna live in the good life

[verse 2]

Dancing with a glass of champagne

Or maybe chardinay, keep it feeling good all night

See so many happy people on the floor

Just leave your problems at the door, the door

Repeat 1
