(Oh)

Ginuwine, Funkmaster Flex

In your earhole, whoo!

Drop a bomb to this, what?

Let's do this, listen

Saw her in the club

As she was about the finest thing I had ever seen

I was so addicted cause she was like a drug

And I was a fiend

I wanted to walk over

Imagining her body was calling me

I had to get with it and make it quick

I had to hit cause baby girl was a dream

I wanted to say

1 - How would you like it if I...

Touched a little

Felt a little

Grabbed a little

Could you handle if I...

Licked a little

Taste a little

Ate a little

Repeat 1

Yo second verse

Kept staring at her hoping that she would see

And maybe call me over

I was gifted but my confidence wouldn't let me

So I sat back and thought things over

(What I get?)

Got a bottle of the Cris (Oh)

Got a bottle of the Mo (Oh)

Now I'm looking like a Don Juan

So I know she gotta notice me

Over all the others

Cause they be singing all the same songs

Repeat 1 (2x)

Finally walked over to her
Told her she was the finest woman I had ever seen
She told me why'd I take so long
Cause all night she was already peepin' me
She said she likes a man who knows what he wants
Never fronts and ain't scared to ask
She was down for whatever
So I took her to the floor, got together
And I tapped that ass, yeah

Repeat 1 (2x)

Yo Flex take em there
Oh, oh, oh, oh...
