You down with OPP  
(Yeah, you know me)  
You down with OPP  
(Yeah, you know me)

You down with OPP  
(Yeah, you know me)  
Who's down with OPP?  
(Every last homie)

You down with OPP  
(Yeah, you know me)  
You down with OPP  
(Yeah, you know me)

You down with OPP  
(Yeah, you know me)  
Who's down with OPP  
(All the homies)

OPP, how can I explain it, I'll take it frame by frame it  
To have y'all jumpin', shoutin', singin' it  
O is for Other, P is for People scratch your temple  
The last P, well that's not that simple

It's sorta like another way to call a cat a kitten  
It's five little letters that are missin' here  
You get on occasion at the other party as a game 'n  
It seems I gotta start to explainin', bust it

You ever had a girl and met her on a nice hello?  
You get her name and number and then you feelin' real  
mellow  
You get home, wait a day, she's what you wanna know  
about  
Then you call up and it's her girlfriend or her cousin's  
house

It's not a front, F to the R to the O to the N to the T  
It's just her boyfriend's at her house  
(Boy that's what is scary)  
It's OPP time, other people's what you get it

There's no room for relationships, there's just room to  
hit it

How many brothers out there know just what I'm gettin'  
at

Who think it's wrong 'cause I'm splittin' and co-hittin'  
that

Well, if you do that's OPP and you're not down with it  
But if you don't, here's your membership

You down with OPP  
(Yeah, you know me)  
You down with OPP  
(Yeah, you know me)

You down with OPP  
(Yeah, you know me)  
Who's down with OPP?  
(Every last homie)

You down with OPP  
(Yeah, you know me)  
You down with OPP  
(Yeah, you know me)

You down with OPP  
(Yeah, you know me)  
Who's down with OPP?  
(All the homies)

As for the ladies, OPP means something gifted  
The first two letters are the same but the last is  
something different  
It's the longest, loveliest, lean, I call it the leanest  
It's another five letter word rhymin' with cleanest and  
meanest

I won't get into that, I'll do it sorta properly  
I say the last P stands for property  
Now ladies, here comes a kiss  
Blow a kiss back to me, now tell me exactly

Have you ever known a brother who have another like a  
girl or wife?  
And you just had to stop 'cause he look just as nice  
You looked at him, he looked at you and you knew right  
away  
That he had someone but he was gonna be yours  
anyway

You couldn't be seen with him and honestly you didn't

care

'Cause in a room behind a door no one but y'all are there

When y'all are finish, y'all can leave and only y'all would know

And then y'all could throw the skeleton bones right in the closet do'

Now, don't be shocked 'cause if you're down, I want your hands up high

Say OPP

(OPP)

I like to say with pride

Now when you do it, do it well and make sure that it counts

You're now down with a discount

You down with OPP

(Yeah, you know me)

You down with OPP

(Yeah, you know me)

You down with OPP

(Yeah, you know me)

Who's down with OPP?

(Every last homie)

You down with OPP

(Yeah, you know me)

You down with OPP

(Yeah, you know me)

You down with OPP

(Yeah, you know me)

Who's down with OPP?

(All the homies)

This girl tried to OPP me

I had a girl and she knew that matter of fact my girl and I

Had a fall out, disagreement, yeah, an argument

She tried to do me so we did it in my apartment, bust it

That wasn't the thing, it must have been the way she hit the ceiling

'Cos after that she kept on coming back and catchin' feelings

I said, "Let's go, my girl is coming so you gotta leave"

She said, "Oh no, I love you, Treach", I said, "Now, child, please"

"You gotta leave, come, grab your coat, right now you gotta go"

I said, "Now get yourself to the stairs and to the stairwell"

This was a thing, a little thing, you shouldn't have put your heart

'Cause you know I was OPP, hell, from the very start"

"Come on, come on, now let me tell you what it's all about

When you get down, you can't go 'round runnin' off at the mouth"

That's rule number one in this OPP establishment

You keep your mouth shut and it won't get back to her or him

Exciting, isn't it? A special kinda business

Many of you will catch the same sorta OPP

Is you with him or her, for sure is going to admit it

When OPP comes, damn skippy, I'm with it

You down with OPP

(Yeah, you know me)

You down with OPP

(Yeah, you know me)
