Funkmaster Flex:

One time for your mind.

Volume two.

Funk Flex.

Sixty minutes of funk.

You know how we do back for the nine-seven.

Jermaine Dupri:

Set it off, get it off, let it off!

Set it off, get it off, let it off!

Set it off, get it off, let it off!

Set it off, get it off, let it off!

Veronica Webb:

Ooh-wee, it's me!

Ooh-wee, it's me!

Ooh-wee, it's me!

Ooh-wee, it's me!

I ain't doin' nothin' but talkin' shit,

so y'all gotta like, you know, encourage me the whole way along.

Ow!

I ain't doin' nothin' but talkin' shit,

so y'all gotta like, you know, encourage me the whole way along.

Ow! Ow!

I ain't doin' nothin' but talkin' shit,

so y'all gotta like, you know, encourage me the whole way along.

Oh, it's me Veronica Webb, you want the rest of the story?

I am...premium pussy!

Can you put that on the air, Flex?

Are people ready for that?

Did they know?

Ooh, sixty minutes.

Where the ghetto booty at?

Funkmaster Flex, ooh, sixty minutes.

Where the ghetto booty at?

Funkmaster Flex, ooh, sixty minutes.

Where the ghetto booty at?

Funkmaster Flex, ooh, sixty minutes.

Where the ghetto booty at?  
Funkmaster Flex...no, I wanna hear Flex say it.  
That enough, Flex, you need more?  
No, I wanna hear Flex say it.  
That enough, Flex, you need more?  
I ain't doin' nothin' but talkin' shit,  
so y'all gotta like, you know, encourage me the whole  
way along.

Veronica Webb:

That's right J.D., let's get it on!  
That's right J.D., let's get it on!  
That's right J.D., let's get it on!  
That's right J.D., let's get it on!

Jermaine Dupri:

Flex, checkin' you out.  
Hearin' you.  
Know what I'm sayin', you dead serious.  
Jermaine Dupri, you know how I do.  
Funkmaster Flex, sixty minutes of funk, part two.  
You'll sit back, kickin' it, relax, you know what I'm  
sayin'?  
We gonna unwind, into yo mind.

Veronica Webb:

That's right J.D., let's get it on!

Jermaine Dupri:

You ain't doin' it right, till your hands get wait.  
Jermaine Dupri, you know how I do.  
You ain't doin' it right, till your hands get wait.  
Jermaine Dupri, you know how I do.  
You ain't doin' it right, till your hands get wait.  
Jermaine Dupri, you know how I do.  
You ain't doin' it right, till your hands get wait.

Jermaine Dupri, you know how I do.  
Just sit back, kickin' it, relax, you know what I'm sayin'?  
We gonna unwind, into yo mind.
