### "Da Na Na"

Visit "[Da Na Na](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[Hook: Scatched over "DAAM!" {Tha Alkaholiks}]  
"I'm from the crew that sets it off by sprayin beer in  
your face  
Like a freak on the elevator I'ma fuck you up  
I'm from the crew that sets it off by sprayin beer in your  
face  
The liquidator with the hardcore demanor's"  
Da na na...

[Chorus #1: Sesta]  
Certified Wise in this bitch now "da na na"  
Sesta about to put my shit down "da na na"  
Who think they got the skill to try to top the bill when we  
rock for real  
It's like

[Verse 1: Sesta]  
I'm that kinda guy you find bumping n grinding blind  
Tryn'a hit the finest bitch but I wont lie I'm no Bias  
A ladies man I'm not I got KD lang looking slags  
Want to know tags up on their fun bags, but fuck that  
I'm that hunch back lumber jack looking scum bag  
With pick up lines like "mummy this can I touch that"  
(ooo come here)  
But I'm as charming as a heart attack and fact is  
Less attractive than eight Guy Sebastians  
On crack with they back kicked in  
Still I'm the sickest ever spitting the art and that's an  
acronym  
This crowds packing in, I'll pick up tonight  
And nine times out of ten I'm right before that one bit  
I'll drink then let the ignorance kick in  
Skip the mix and then slip the dick in  
If I have a kid I'll call it "Oops Lady"  
Raise that baby and I'll pay for the school books

[Hook]

[Chorus #2: Hons]  
Certified Wise in this bitch now "da na na"  
Sketsy Hons about to put my shit down "da na na"

Who think they got the skill to try to top the bill when we  
rock for real  
It's like

[Verse 2: Hons]

The name's Hons I'm the type of guy you dont  
Take home to meet your folks and that ain't no joke  
I've got a slight abuse problem from a sick porn  
addiction  
Not to mention booze, gambling and a freak fetish for  
kissing  
I'm a late bloomer, I dont wake till noon  
I'm that dealer at the cashy you dropped ya pay check  
to  
On some freak bitch shit I act with cuntish behaviour  
I got randoms on repeat till I can beat "Chris Money  
Maker"  
I'm that chauvinistic pig for you bitch rappers  
The piss magget at the bar yelling "shit happens"  
The fact is that I'ma gambling addict  
At the "Taj" on twenty/fourty taking snacks from Ben  
Affleck  
Teenage heart throb, party to my heart stop  
And I'm outdrinking crews right until the tab at the bar  
stop  
Start with Hons that shit is hopeless bro  
Cause you aint nothing but a tortoise try'na b-boy like  
Pinocchio

[Hook]

[Interlude: Trials]

Yeh we bout to break it down for a quick second  
Let the organs play, let the drinks get topped up  
and then get right back into it like  
Alright, check it  
da na na...

[Chorus #3: Trials]

Certified Wise in this bitch now "da na na"  
A trigger trial 'bout to put my shit down "da na na"  
Who think they got the skill to try to top the bill when we  
rock for real  
It's like

[Verse 3: Trials]

Well I'm the type of guy you find blind drunk  
Girl in the trunk tied up  
About to pick the kids and wife up  
Eyes stuck 'cause sleep is rare  
Beef with Trials then that beef ain't fair

Steer clear! You in the cross hairs  
Of a cat with nine lives with eight still spare  
And a death wish, check the cast like Def Wish  
We park for breakfast where the largest breast is  
From B cups, C cups, double D cups  
At a little hippy show telling emo kids to cheer up  
I know being rich kiddies is hard  
Like the world knows Tara Reid's titties is scarred  
My finishing moves to change what you listening too  
Hitting the brew till my brain cells missing a few  
All I do, rap about bitches and booze  
You dont like it take a seat next to the bitches and boo,  
mother fuck fuck

[Chorus #4: Trials/Hons/Sesta]

Certified Wise in this bitch now "da na na"  
Reflux put ya shit down "da na na"  
Who think they got the skill to try to top the bill when we  
rock for real  
It's like

[Scratches by DJ Reflux {sample from "DAAM!" -  
Xzibit}]

"Yehhh, check it out  
Yehhh, Like that  
Check it, Check, Check it out  
Like that..."
